

Jerome Village to sponsor 2nd Annual United Way Game Day 5k Run & Walk

For the second year, Jerome Village will be the Presenting Sponsor for the United Way Game Day 5k Run & Walk to be held at Glacier Ridge Metro Park on September 13th. Last year, over 200 participants attended the OSU football themed event that featured live music and plenty of family fun.

“We’re very proud to be associated with this event and the United Way of Union County,” said Highland Real Estate CEO Scott T. Mallory. “We all had a great deal of fun last year in support of a very worthwhile cause. We hope even more folks join us this year.”

“We’ve successfully combined a first-class 5K event with the area’s passion for college football,” said Dave Bezusko, Campaign & PR Director of the United Way of Union County. “A festive, family-friendly morning awaits those who plan to participate. We couldn’t have a better partner than Jerome Village in helping us create the sense of community you’ll feel when you take part in the Game Day 5K.”

“As Jerome Village grows, we look forward to the Game Day 5K growing with it. This year, we hope to have 350-400 participants involved.”
